### Your dream North Devon wedding venue

The beautiful village of Clovelly makes the most romantic venue for your wedding in North Devon. This enchanting village of timeless beauty offers a picturesque setting for a wedding celebration that will always bring you wonderful memories.

From wooded cliffs far above the old harbour, a cobbled street winds down to the sea past cottages bedecked with bright flowers.

Clovelly Court Great Terrace offers marquee space for a wedding party from 80 to 200+ guests with a sweeping vista of Bideford Bay and beyond.

Clovelly Court Gardens Summerhouse & the Wilderness Summer House are licensed wedding venues and offer many options for your special day.

The two hotels offer en-suite bedrooms and a perfect setting for your wedding reception. There are also additional accommodation options in the village.

We want your wedding day to be the most perfect occasion for you and your guests, and you can rest assured that we will be committed to helping you make it thoroughly memorable. We have the experience and the skills to make the occasion truly special.
