

Clovelly is a picturesque, historic, fishing village, steeped in maritime atmosphere and history. This atmosphere is embodied in a traffic-free, cobbled street with flower-strewn cottages, tumbling down a cleft in the 400-foot cliff to the ancient fishing harbour and 14th century quay bringing glorious views along the way

Due to start our main season, we are now looking for the following seasonal staff to join the existing team:

General Cafe Assistant (flexible hours, to be discussed)

Working in our busy cafe means your day will be filled with a variety of tasks, from making coffees, clearing tables and stocking up to serving our delicious range of food and cakes. Whilst Barista experience would be great, as long as you have the right attitude, we can take care of the training.

Passionate about the food we serve, we are looking for warm and friendly people who thrive in a customer facing role, will fit well in a hardworking and busy team and have plenty of energy and a positive attitude. Flexibility is key as we are open 7 days a week.

General Visitor Centre Assistant (flexible hours, to be discussed)

Delivering the Clovelly Spirit with confidence you will be an ambassador for the village. Stationed at the Admission Desk or Retail Outlets you will engage positively with each visitor as customer service is at the forefront of every task you do. Seeking to acknowledge each visitor and answer their questions your challenge is to create a lasting memory for each guest. Again flexibility is key as weekend work will be required.

If you think you have what we are looking for, we would love to hear from you. Please forward a copy of your CV, stating which position you would like to be considered for.
